	:	Affidavit of Paul A. Rossi, Esq.
CITY OF HOUSTON,	:

Defendants.	:	

AFFIDAVIT OF PAUL A. ROSSI, ESQ.

I, Paul A. Rossi, the undersigned legal counsel, hereby declare under oath and subject to the penalties of 28 U.S.C. § 1746, that the following is true and correct to the best of my knowledge:

1. I the national litigation counsel for each of the plaintiffs in the above captioned action and represented them in this action as *pro hac vice* counsel.

2. As national litigation counsel for each of the plaintiffs in this action, I would normally take the lead in litigating plaintiffs' challenge to the ballot access restriction for initiative petitions challenged in this action.

3. However, as it quickly became apparent that local counsel, Jerad Najvar is possessed of outstanding legal skill, I readily agreed to have local

counsel take the lead in this litigation. A decision which resulted in an outstanding result for plaintiffs

4. However, I took the lead in researching and drafting the complaint, motion and brief in support for the successful temporary restraining order, argued the motion for temporary restraining order to the court and drafted the second amended complaint, along with securing the additional plaintiffs in the amended pleadings.

5. I was also involved in assisting in litigation strategy and reviewing the filings in this case at each step of the litigation and conducting research for the instant fee petition.

6. I graduated from Temple Law School, *magna cum laude*, and was admitted to the practice of law within the Commonwealth of Pennsylvania in 2001.

7. In practice, I was an associate with the law firms of Ballard Spahr Andrews and Ingersoll from 2000 to 2002 as a state and local tax litigator. Thereafter I was an associate in the New York office of Dechert Price as a state and local tax litigator from 2002 to 2006.

8. Since 2006, I have been in private practice litigating constitutional torts and since about 2012 have focused by practice on constitutional violations in the area of ballot access.

9. Since 2006, I have appeared before the federal courts in 18 states and 4 united states courts of appeal securing ballot access victories for my clients challenging ballot restrictions in violation, primarily, of the First and Fourteenth Amendments to the United States Constitution.

10. During the instant litigation, plaintiffs secured a temporary restraining order to permit plaintiffs to circulate initiative petitions in the City of Houston for an initiative in 2019.

11. Thereafter, and despite unnecessary procedural moves by the City of Houston to evade judicial review of their unconstitutional residency requirement for the circulation of initiative petition, plaintiffs secured permanent declaratory relief from the challenged residency restrictions and forced the City of Houston to abandon other unconstitutional restrictions thrown-up to block plaintiffs' exercise of rights guaranteed to them under the First and Fourteenth Amendments to the United States Constitution.

12. Plaintiffs have secured the complete relief that they sought at the start of this litigation.

13. I hereby certify that I worked a total of 75.0 hours on this case in the United States District Court for the Southern District of Texas and 0.0 hours litigating the appellate action in this case in the to the United States Court of Appeals for the Fifth Circuit.

14. I hereby certify that the attached time record is a true and accurate recording of contemporaneous time records maintained at all times during this litigation by Attorney Paul A. Rossi.

15. As part of normal billing discretion, I have deducted 2.4 hours from my fee request for certain, non-substantive conference calls on strategy.

16. Furthermore, as part of my normal billing practice, I have deducted from my total fee request 15%, which I normally provide all of my clients who are charged by-the-hour and who make on-time payments within 60 days from the date of the billing.

17. I certify that I am requesting an hourly fee of \$400.00 per hour which is commensurate with my expertise in constitutional litigation focused on ballot access issues and with the prevailing rate in the Houston legal market for attorneys with 21 years of experience.

18. I also certify that I have spent a total of \$1,622.19 for last-minute round-trip airfare from Philadelphia to Houston (\$1,474.00) and 1 night's hotel accommodation (\$148.19) to attend the hearing and argue plaintiffs' successful motion for a temporary restraining order. Receipts for each expense are attached hereto.

19. Accordingly, I am requesting a attorney fee award of \$24,684.00 and an award for expenses of \$1,622.19 for a total of \$26,306.19.

20. A copy of my Curriculum Vitae is attached.

21. Further, affiant, sayeth naught.
